The stern and yet terribly charming butcher Puj was and remains one of the most popular and recognizable heroes in Dota 2. Over the years of the game, he actually became the "face" (although not very cute) of the entire franchise and it is with him that Dota herself is associated with most players. And, if you have not yet had time to play [1v1 lol Unblocked 66](#) game a hundred or two hours on this friendly fat man with a hook, it's time to rectify the situation. We are posting a new guide to Pooja Dota 2 that will definitely help you learn how to play this hero. We disassemble Pooja skills, look at the most relevant assemblies of items and explain the victorious tactics.
